Established in 1934 as a tavern in the small town of Three Lakes, WI. The ambiance of the Black Forest Pub and Grille can be summed up in one word: Gemütlichkeit [Ge-mut-lich-keit]. This means, guests can expect a friendly and unhurried dining experience in a cozy, comfortable setting. The Black Forest has a history as charming as it looks. Designed and built by the famed Fred “Cy” Williams, the Black Forest has hosted visitors from all over the world. At one time, the building housed a bowling alley. Featuring the original bar, wood panels, and carved posts, Black Forest has been known for its traditional and nostalgic atmosphere, and continues to welcome travelers near and far, offering a good drink, delectable food, and friendly service.
